

Thoughtful presents with a difference

Craft Fairs are always a source of inspiration for presents with a difference.

At The Hunstanton & District Festival of Arts Craft Fairs you can always find good quality handmade goods including: patchwork cushions and quilts, very cute felted animals and beautiful framed photographs of the area for a fraction of the cost to be found in larger outlets.

All the goods are handmade by local craftspersons so you would be supporting local cottage industry in the area too. Do go along and have a look at what's on offer.

Entry is free to the public and delicious homemade refreshments are available.
